Lifeline Book Fair – Sat. Sun. April 22-23 - Thornleigh Community Centre

Be prepared for an astonishing choice of top-quality books, CDs and DVDs when Lifeline returns to Thornleigh Community Centre for its ninth giant book fair the weekend of April 22-23.

Open both Saturday and Sunday from 8 am to 5 pm, the book fair will showcase a comprehensive collection of more than 50,000 titles, presented in 50-plus categories, comprising such varied subjects as science and sci-fi, military history and memoir, politics, art and architecture, fine literature, fiction and non-fiction.

Children's books will be in plentiful supply, set-out in a special area for toddlers through to teenagers and young adult literature – all at a fraction of retail prices.

The family-friendly community event is a major fundraiser for Lifeline Harbour to Hawkesbury's expanding services in the field of suicide prevention and the national telephone crisis support line – 13 11 14.

Lifeline H2H also provides a range of face-to-face personal and financial counselling at its Gordon centre, as well as support groups for anger management, hoarding disorder, problem gambling and suicide bereavement.
